PIERRE,

L. GREEN, EDITOR AND PROPRIETOR

Dakota.

The city of Pierre is the county seat of of Hughes county, Dakota, and is located on the east bank of the Missouri proposed new State of South Dakota, and is opposite the center of the great Sioux reservation. It is the present terminus of the Dakota Central through trunk iine of the Chicago & Northwestern Railway; i- distant 781 miles from Chicago, and through daily trains without change of cars run between the two

The city is mainly built upon the large and broad terraces overlooking the river with its wooded banks and islands, and as the slope of each tereity is perfectly drained and is free from the dangers resulting from floods or imgerfect sewarage.

PIERRE.

POPULATION OF PIERRE IS 2,500.

It has an excellent municipal govern-ment. The Presbyterian College of Bouthern Dakota, now in operation, and numerous ward schools, offer superior educational advantages. There is one first class hotel, the Wells House, and ten second class hotels open; two daily and four weekly newspapers, four banks and numerous wholesale and retail houses in various branches of trade. SURROUNDING COUNTRY

is thi y settled by farmers and com prises the finest farming land in Dako a. Quarter sections or farms of 160 cres, every foot of which can be cultioted, car. be bought from \$600 to \$1200 depending upon their distance from the city. Government land can be taken up withtn ten miles from the city. The country west of the river and included in the great Sioux reservation [which it is expected will be thrown open to settlement this Spring] is the best wheat growing land in Dakota.

ATTORNEY AT LAW.

Office, Dollison Building, Market Street,

LOGAN, - OHIO.

A Shipping Point. Pierre is a shipping point for all B ack Hills freight sent over both the Chicago & Northwestern and Chicago, Milwaukie & St. Paul Railways. Ship-

ments via the latter, line to its Missouri river terminus at Chamberlain are sent up the river to Pierre for trans-ship-ment to the Hills. The traffic between Pierre and Deadwood is immense. In the transportation of freight there are 10 000 oxen and mules and 2,000 men constantly employed, the tonnage amounting to about 70,000,000 pounds per annum, and the money annually

paid for freighting amounting to over \$600,000 is expended in Pierre.
Pierre is the head-quarters for Military and Ranch Supplies, forwarded by river to the various forts and military and the various forts are various forts and the various forts and the various forts are various fort tary posts and to various points along the "Big Muddy," where small settlements have sprung up. Pierre has the trade, altogether of not less than 50,-000 people, including Indians. U.S. A. Quartermaster's office, government store houses, and offices of a Collector of Customs, and Internal Revenue Collector are located here. In the river traffic there are twenty-five steamers

Building Activity.

During the past season there was erected a brick court-house; three brick business blocks, and over 300 wooden buildings, involving an expenditure of over \$1,500,000. There is now in process of erection the Park Hotel, a bried structure 100x120, four stories LOGAN,... high, and everything indicates that beeds, Wills, Mortgages, Leases, Contract and all attention given to collections of there will be a great increase in build-office in the Court House. july 1-ly there wil! be a great increase in building during the year 1884, and there will be an active demand for building I material and mechanics in all branches of trade:

The first industry established in Pierre was brick making, of which there was manufactured last season over, 1,-000,000 of superior quality, and ar tangements have now been completed to manufacture more than 3,000,060 the coming season. There is a great demand here for iron work, and a foundry and machine shop which could make cast pieces for buildings, breaking plows for the farmers, and do repair

LOGAN. O. work on implements and steam-boats, would do a very profitable business,

PIERRE.

A Mannfacturing Business, can only be established at Pierre, ow competition between river and railroad transportation, the abundance of wood, which is now selling at \$4 per cord and the immense quantity of coal and C. E. Bowen, Cashier. ervation west of the river.

A Jobbing Trade has already been developed by Pierre merchants with the Black Hills and the country up and down the river, and with a lower rate of freight than can any other point in South Central Da-kota, and being the only railroad point on the boundary on the boundary of the reservation Individual liability of stockholders \$406,000 soon to be opened, Perre is destined to become a great jobbing center. ACTIVITY IN REAL ESTATE began last year and more sales wer made than in the previous two years of the city's growth, and there has been a healthful,gradual advance in the price of city property, and every one has made money by operating in real es-

Opportunities for Business. Pays the Highest Price for Pro-Pierre is an excellent city to engage in any kind of mercantile pursuits, wholesale or retail, because its rates of treight are low; it is the center of a fertile farming country and the supply point of numerous cities and villages located on the banks of the Missouri. This is a good point to engage in manufacturing business of any kind, and liberal aid will be given to any manufacturing industry. There is a First good opening for the manufacture of any article used in building, for flour mills, and for beer manufacturing, There are opportunities to invest in real estate which will produce handsome returns, and money used in the

not help to make a decided impress. daintly as any dame; they carr ion upon those that it intended to in- fans and pocket-glasses, by while to arrange an occasional disorder . . their dress. Then, too, they erried muffs and revived a fashion of An Associated Press dispatch wearing earrings. But lest it shoul. gives the following synopsis of the seem that this arrangement of men 18. piece by piece, taking from our "I noticed that you are announc- forefathers all title to our respect. ed to address a meeting to-morrow it should be mentioned that to ment night in New York in support of originally belonged the right to Which May Result in Gen. the proposition that the political wear ruffs by virtue of original his elevation to the Presidency by ly invaded masculine privilege :, the votes of his fellow-citizens more and took to ruffs, that a keen com-

His Idea of Bliss. Mr. and Mrs. Cooper do not get to blame, for he is always sayin spiteful things. For instance, when she happened to mention that a murderer had been sentenced to ninety-nine years in the penitentiary, he remarked: "Well, he is in good luck."

"How so ?" "He will have a quiet time until he gets out, and then he will be too eld to marry."

More than 100 hundred tons of human bair are annually bought and to express their opinion of it, and sold. Four ounces is an average clipping from a human head : so that 100 tons represent the product of 800,000 to 1,000,000 heads. hold up that career as worthy of es- In Europe the heads of temale crimpecial honor, and even in the highest inals are shorn, and they supply a office in the gift of the people. in large market, but the greater part preference, to the political career of is bought by traveling peddlers -Senator Edmunds or Senator Sher- Between the ages of fifteen and fo-
